

## 5 YEAR GUARANTEE

### TextileMania Product Guarantee

Textile Mania warrants that all of our ranges are, at the time of manufacture, produced to professional standards and are reflective of the sample with the concession of commercially acceptable production batch variations. All of Textile Mania's products are supplied fit for the specified purpose.

All ranges are tested through independent testing bodies to ensure they meet industry standards under normal non-continuous/shift usage conditions, not exceeding 8 hours in any one 24 hour period. This guarantee assures that the product will perform satisfactorily provided that:

1. The textile is used for the intended purpose as stated on the Textile Mania literature;
2. The furniture manufacturer has followed appropriate good practice manufacturing methods in addition to foam utilised for padding, which will retain its shape for the duration of the 5 year fabric warranty period;
3. The furniture products have only been subjected to normal wear and tear and not exposed to improper treatment or misuse;
4. The upholstery fabric is cleaned regularly as outlined by the Textile Mania Care and Maintenance documents.

This guarantee does not apply to:

1. Any additional after-market finishes applied to the fabric upon client request;
2. Abnormal use of the product, including but not limited to cuts, spills, improper cleaning;

Textile Mania's guarantee will provide a mutually agreed replacement of the product; the warranty is not extended to cover any labour, upholstery or installation costs associated with the replacement.

Textile Mania reserves the right to inspect on site any warranty claim arising from this guarantee.
